

Beyond Complete Streets

Earthday
Symposium
June 3, 2015
Marielle Brown,
AICP

Trailnet's Mission

**Making walking,
bicycling, and using
transit a way of life**

Your favorite street

Typical features

- Slow traffic, often congested
- Storefronts
- Wide sidewalks
- Complexity

Traditional Design

- Slow traffic, often congested
- Storefronts
- Wide sidewalks
- Complexity

5390. In the Streets of St. Louis, Mo. U. S. A.

Different contexts; Same principles

- Safe
- Pleasant
- Separated
- Slow traffic

Incremental steps
