ABOUT THE FESTIVAL

The St. Louis Earth Day Festival is the oldest and largest Earth Day festival in the Midwest! Over 200 artists, educational exhibitors, food vendors, businesses and organizations spend the day connecting with some 35,000 visitors from the St. Louis region and beyond.

To receive text alert messages during the Festival, text EARTHDAY to 84483. We will update you when key Festival activities are starting and let you know if there are any weather or traffic situations you might want to be aware of.

Your old working fridge or freezer could be wasting \$100/year in energy costs.

Ameren Missouri will pick it up for **FREE**, recycle it responsibly and **pay you \$50.***

To schedule your free pickup, go to AmerenMissouri.com/fridge.

*Some restrictions may apply. Visit AmerenMissouri.com/fridge for full program details.

EARTH DAY CHALLENGE

The Earth Day Challenge is designed to encourage Festival attendees to incorporate low-impact behaviors into their everyday lives, making the Earth a cleaner, healthier place to live. Complete at least two of the three challenges listed below and **receive a prize at the Earth Day Booth!**

- 1. BRING YOUR OWN REUSABLE SHOPPING BAG.**
- 2. BRING YOUR OWN REFILLABLE WATER BOTTLE.**
- 3. USE LOW-IMPACT TRANSPORTATION (BIKE, WALK, CARPOOL, OR USE THE METROLINK OR METROBUS).**

PRESENTED BY **METRO LIGHTING**

Water Wise.

Missouri's rivers define our state. They sustain wildlife, provide a source of our drinking water and enrich our landscape and our lives. Our daily actions in our watershed can affect the water quality in our rivers and streams. That's why Missouri American Water works with organizations across the state to advance watershed education and preservation programs.

Come see our Wings Over Water program featuring birds of prey from the World Bird Sanctuary up close and in flight at 12:30 p.m. and 3:20 p.m. on the Community Stage.

Learn more about protecting your watershed at www.missouriamwater.com.

ABOUT ST. LOUIS EARTH DAY

MISSION

St. Louis Earth Day makes every day Earth Day, cultivating environmental stewardship and engaging individuals, governments, businesses, schools and the non-profit sector in celebration, education and action to support a healthy and sustainable future.

PROGRAMS

The St. Louis Earth Day Festival is just one of several programs that our organization manages throughout the year. Read more about the exciting work we do to make *Earth Day every day*.

SYMPOSIUM

This important educational and networking event for local governments and planning professionals provides a platform for discussing and learning about new tools for implementing sustainable considerations in projects throughout the St. Louis area. **Save the Date: June 3 at Saint Louis University.**

RECYCLING ON THE GO

What started as the region's first large-scale event recycling program has grown into a popular and widely-utilized event-greening service offering comprehensive consultancy and implementation services. Our goal is to reduce the negative environmental impact of events and festivals, principally by reducing and recycling a portion of the waste they generate.

The Recycling On the Go program is funded through a grant from the St. Louis-Jefferson Solid Waste Management District and the Missouri Department of Natural Resources.

GREEN DINING ALLIANCE

This program is committed to working with St. Louis restaurants to reduce their environmental impact. The GDA considers all areas of operations and puts strong emphasis on reducing, recycling and composting restaurant waste as well as sourcing sustainable food, to-go ware and cleaning supplies. www.greendiningalliance.org

FESTIVAL SURVEY

Help us stay relevant and continually improve by sharing your feedback through our anonymous survey. Opt in for a chance to win a prize. Visit our website from our computer or phone: www.stlouisearthday.org

PHOTOGRAPHY WAIVER: By entering the event premises, you consent to interview(s), photography, audio recording, video recording and its/their release, publication, exhibition, or reproduction to be used for news, webcasts, promotional purposes, telecasts, advertising, inclusion on websites, or any other purpose by St. Louis Earth Day, its sponsors and community partners.

CODE OF CONDUCT: St. Louis Earth Day is committed to providing an enjoyable and safe experience for everyone. Irresponsible, disruptive or offensive conduct will not be tolerated within the festival grounds. To ensure the safety of all, please keep your belongings with you at all times. **All bags are subject to search.**

conduct. Petitioners, protesters, and demonstrators are encouraged to utilize the Public Forum space set aside on the west side of the Muni. No soliciting is allowed.

Friendly and well-mannered dogs on leashes no longer than 6 ft. are welcome at the event. Please properly dispose of dog waste.

Dismount bicycles upon entering event. Bikes are not permitted on sidewalks or in congested pedestrian areas. Complimentary bike parking is available at the west entrance of the event grounds.

St. Louis Earth Day reserves the right to have removed and excluded from the festival grounds any person violating St. Louis City Park Regulations or event expectations for appropriate

**EVER WONDER WHERE ALL THOSE OLD CLOTHES GO? DISCARDS CAN ADD UP QUICKLY!
COME LEARN HOW TO KEEP THEM OUT OF THE LANDFILL AT THE USAGAIN EXHIBIT
IN THE REDUCE, REUSE, RECYCLE EXPERIENCE AREA.**

COMMITMENT TO SUSTAINABILITY

St. Louis Earth Day is committed to utilizing the best options for ensuring a memorable event with as little environmental impact as possible. Here are just a few ways that we honor our commitment to environmental stewardship.

WASTE

By implementing our event-greening Recycling On the Go program, 91% of the waste produced at the 2014 Festival was diverted from the landfill (4,111 lbs.).

To reduce waste, we ask vendors to limit handouts. **DO YOUR PART** by returning your program for reuse or recycling before you leave (or recycle when you get home).

Styrofoam is so last century – that's why we've banned polystyrene/#6 plastic from the Festival for the past eight years and have never looked back. This material is rarely recycled and never breaks down in a landfill.

We've also banned bottled water because of its environment impact. Fill up at one of the water stations indicated on the map and check out the water trailer, provided by the **City of St. Louis**.

Take your waste to one of the seven Recycling Stations where volunteers will help you figure out what is recyclable, compostable or headed for the landfill.

ENERGY

Generators donated by **Energy Tree**, are propane-fueled prototypes for a new approach to electrifying events. These generators release about half of the emissions as standard diesel generators. Propane is donated by the **Missouri Propane Gas Association**. A Solar Shed installed by **EFS Energy** will power select sponsor booths.

The energy used to power the Festival has been offset 100% with emission-free Missouri Wind

with Renewable Energy Certificates courtesy of **Ameren Missouri's Pure Power** program. This offset means that St. Louis Earth Day has reduced its carbon footprint from electricity use by 3,167 tons of carbon dioxide; the same environmental benefit as not driving a car for 3 months.

PURCHASING

Event t-shirts and hats are either 100% organic cotton or an organic cotton/post-consumer P.E.T. recycled polyester blend, designed and printed locally (\$15).

Portable toilets from **Johnny On the Spot** use eco-friendly chemicals and recycled-content paper products.

Earth Day Challenge awards eco-friendly gifts like LED lightbulbs from Challenge sponsor **Metro Lighting**, **Better Life** cleaning products and **Metro Transit** day-passes, to encourage attendees to make positive environmental behavior choices.

Our promotional materials are printed on American-made, Forest Stewardship Council (FSC) certified, 100% post-consumer recycled paper. Our local printer, **The Advertisers Printing Company**, uses soy and solvent-free inks and emission-free coatings. They hold Rainforest Alliance and Sustainable Green Printing Partnership (SGP) certifications and offset 100% of their energy use through Ameren Missouri's Pure Power program.

The Advertisers Printing Company, Inc.

Built to get dirty, not be dirty.

The Subaru XV Crosstrek® Hybrid. As the most fuel-efficient all-wheel drive hybrid crossover in America,* it's equipped to get you to all the places you love. It's a hybrid as only Subaru could do. **Love. It's what makes a Subaru, a Subaru.**

XV Crosstrek Hybrid. Learn more at subaru.com.

Subaru and XV Crosstrek are registered trademarks. *Based on EPA-estimated hwy fuel economy for 2015 Subaru XV Crosstrek Hybrid models compared to AWD vehicles within the IHS Automotive, Polk Non-Luxury Compact CUV segment as of 11/10/14. Actual mileage may vary.

TRANSPORTATION

We strongly encourage Festival attendees to use low-impact transportation or carpool.

Trailnet offers FREE valet bike parking all day to encourage cycling. In addition, the travel of all attendees, vendors and entertainers has been offset with Missouri Wind Renewable Energy Certificates.

Park at the Recycling Extravaganza at the St. Louis Community College Forest Park campus and ride over on a free shuttle powered by biodiesel or compressed natural gas – avoid traffic and idling!

The event greening effort is sponsored by Subaru.

WHAT EARTH DAY TASTES LIKE.

At Chipotle, we're committed to using ingredients raised responsibly—with respect for the farmers, the animals and the environment.

EAT & DRINK

Eat happy, free from trans-fat, high fructose corn syrup and other highly processed foods typically found at outdoor festivals. All service ware is recyclable or compostable. Visit one of our **Recycling On the Go** waste sorting stations when you are done eating.

Look for the green leaf indicating restaurants with Green Dining Alliance certification. For more info about the GDA, see page 2.

ATOMIC COWBOY 
Margaritas & mojitos

BAYOU SEASONING & CATERING 
Bourbon chicken, po-boys (veggie), red beans and rice, jambalaya, Bahama breeze

BOMBAY FOOD JUNKIES
Samosa (vegan), green lentil fritters (vegan), Manchurian (vegan), homemade ice creams, ginger tea, masala roti wrap (vegan), paneer tikka roti wrap, lentil wrap (vegan), samosa wrap (vegan), samosa chole (vegan), mango lassi

BOTA BOX
Stop by the Bota Box lounge to sample four varieties of wine: Sauvignon Blanc, RedVolution Red Blend, Chardonnay, and Pinot Noir. Learn why Bota Box packaging is the most eco-friendly and why it's a great fit for all of your summer picnicking! 

COMPANION KOMBUCHA
Kombucha in a variety of flavors, sweet and unsweet

HANDLEBAR 
Veggie kabobs, Chicken kabobs, Bahn Mi with whitefish, beet soup

ICES PLAIN & FANCY 
Nitrogen ice cream

JUICEMASTERS 
Puravegan salads, strawberry lemonaid, strawberry sunrise, orange dreamsicle, mocha frap, green goddess, banana mudslide, berry blast, jazzy carrot, apple waldorf, green elixir, mango colada

KAKAO CHOCOLATES 
Chocolate bark, caramels, truffles, pates de fruits, marshmallows, truffle shots

KALDI'S COFFEE
Cold-brewed espresso 700 and pour over bar featuring single origin coffees

KETTLE KORN & MORE/ANGELS ARMS
Kettlecorn

LULU'S LOCAL EATERY 
Vegan tacos, udon noodle bowl, BBQ jack sandwich, sweet potato black bean burger, vegan cupcakes, iced tea

LOCAL BEER, LOCAL GLASS.

Since 1991 we've strived to be a great local brewer and to be as green as possible. Our glass partner helps us stay local and sustainable by producing our 12 oz. bottles in Pevely, MO, just 20 miles away. Cheers!

SCHLAFLY
THE SAINT LOUIS BREWERY

Proud sponsor of St. Louis Earth Day.

MCMURPHY'S CAFE AT ST. PATRICK CENTER 
Caprese kabobs, chicken wraps, homemade pickles, cookies, iced tea

PI PIZZERIA (LOCATED BY MAIN STAGE)
9" deep dish pizza: vegetarian or meat

PIE OH MY! 
Savory pies, dessert pies

RAMS 5 STAR KETTLE KORN
(LOCATED IN FARMERS MARKET)
Kettlecorn

REARN THAI
Chicken satay, pad Thai, Thai iced tea

SCHLAFLY 
(LOCATED IN CAFE AND BY MAIN STAGE)
Three selections of beer, including the brand new Organic IPA, brewed with organic grains and hops. Beers will be sold in an exclusive St. Louis Earth Day reusable cup and patrons will receive a discount for cup reuse. 

SCHNUCKS MARKETS
(LOCATED IN FARMERS MARKET)
Fresh organic produce

SEEDZ CAFE 
Raw spicy peanut noodles, tempeh reuben, tuna wraps, rawvioli, organic smoothies

SIERRA CLUB
Fresh squeezed lemonade

SMALL BATCH & ROOSTER SOUTH GRAND 
PBJ (arugula pesto, beef, and tomato jam), plain fontina beef or match burger, chilled soba noodle salad, veggie tacos

ST. LOUIS ANIMAL RIGHTS TEAM (START)
Grilled portobello sandwich, fresh pasta salad, chips, vegan cupcake, iced tea

THE DAM 
Hamburger, cheeseburger, local G&W sausage, kosher hot dogs, veggie dogs, French fries, fresh flavored water, Excel soda, cocktail

THE PHAT APPLE
Vegan taco salad, vegan French toast, scrambled tofu, a variety of fresh salads: marinated kale, spicy sesame seaweed cabbage and tofu, live carrot tuna salad, marinated bean curd, Caribbean carrot punch

TIVANOV CATERING 
Spicy pulled pork arepa, gyros, homemade frozen yogurt from sheep's milk and local, grass-fed Windcrest yogurt, strawberry lemonade

TRAVELING TEA 
(LOCATED IN FARMERS MARKET)
Organic freshly brewed cups of tea

URBAN EATS CAFE 
Vegan thai noodle bowl, BBQ pork bao, gourmet chicken dog, rum bunny cocktail, jasmine green tea

WHISK: A SUSTAINABLE BAKESHOP 
Cupcakes, cookies, brownies, pop tartlets, ice pops and mini pies

FAMILY GUIDE

Look for the red handprint throughout the program to quickly find other kid-friendly programming.

YOUTH CORNER

New this year, hands-on environmental education activity booths and other family-friendly attractions are clustered in the Youth Corner, a space where children and young adults can explore the art and science of Earth Day. Booths include exhibits, demonstrations, and hands-on activities covering a wide range of topics. Turn the page for a full list of educational activities. Additional attractions include:

DECORATE A REUSABLE LUNCH BAG

St. Louis Children's Hospital

ECO-ART ACTIVITY

"Play Your Art Out" with the St. Louis Teachers' Recycle Center and explore the VanGO Traveling Reuse Center

JUMP ROPE MAKING

The Waldorf School of St. Louis

LIFE-SIZED CHESS BOARD

Chess Club and Scholastic Center of St. Louis & The World Chess Hall of Fame

STORYTELLING

by Kathy Schottel, 11:30am and 2:30pm at the St. Louis Public Library booth

PURINA COMMUNITY STAGE *For a complete schedule, see page 8.*

CIRCUS FLORA

Community Stage: 2pm & 4:30pm

If you can't wait for the Big Top to go up this May in Grand Center, come enjoy the one woman circus of St. Louis, based artist Claire the Clown. Brought to you by Circus Flora, Claire will entertain and delight adults and children alike with juggling, acrobatics, comedy, and feats of balance. She will be joined on stage by special guests and audience members, of course!

JUNIOR RECYCLING AMBASSADOR WORKSHOP

11am

All kids (big and small) are invited to learn more about recycling and composting from the experts of St. Louis Earth Day's Recycling On the Go program. Earn your Junior Recycling Ambassador badge through games and then share your knowledge with others at Earth Day!

WORLD BIRD SANCTUARY'S WINGS OVER WATER

12:30pm & 3:20pm

Features birds of prey including falcons, hawks, owls and vultures. Not only will you see different species of raptors, but you'll also learn a vulture's secret weapon and how to identify a bird of prey in the wild. Enjoy an up-close view as birds soar right over your head!

JOIA ALL-SPECIES JAMBOREE

Noon | Meet at the Main Stage

The Honorable Mayor Francis Slay will kick off the Parade at noon as we celebrate the interdependence and value of all species. Join in this costumed pedestrian parade through the event grounds, led by the **Joia World Percussion Ensemble**.

METROBUS PAINTING

1pm - 3pm | Transportation & Fuels Experience Area

Join artist Genevieve Esson to complete her creative design on one of our city buses. With a paint-by-number format, everyone is invited to participate in this paint party to add a little color and creativity to this bus' route. Be on the look out for this community masterpiece, as it will be rolling around town for a whole year! *Sponsored by MSD Project Clear and Metro Arts in Transit.*

WHOLE FOODS MARKET KIDS CLUB

Located near the Munny box office.

Create bird nests using popcorn bags and recycled shredded paper. Nest will hold special "eggs" — all-natural chocolate milk balls and jelly beans!

YOGA PHOTOBOOTH

Wellness Experience Area

Strike a pose! Show off your favorite yoga pose in the Yoga Buzz photo booth! Need some inspiration? Hop on the mat with one of our yogis to learn some poses, then show us what you've got.

YOGA FOR KIDS

Join Yoga Buzz in the West Munny Pavillion for yoga classes on the hour.

FAMILY AMENITIES

ATMs — See map. Look for \$ icon.

First Aid — Located in the center of the big field. Look for the red tent.

Diaper-Changing Stations — Available at all portable restroom locations.

Lost Children — Volunteers will take lost children to the Info Booth until guardians are located.

Water Refill Stations — See map. Look for the water drop icon.

Lost & Found — Come to the Info Booth to inquire about lost/found items. Call 314-282-7533 after the Festival to check in on lost items.

Nursing Station — See map. Located in the Wellness Experience area. A private place for nursing mothers. Mothers needing access to electricity for pumping should inquire at the Info Booth for accommodation.

Shuttle Service — Available 9:30am to 6:30pm, every 15 minutes to/from St. Louis Community College, Forest Park campus. Catch the shuttle at the entrance to the Lower Munny parking lot.

Solar Cell Phone Charging Station
See map.

EDUCATIONAL ACTIVITIES

Environmental education and hands-on learning is a key component of the Festival. New this year, many of the hands-on environmental education activity booths are clustered in the Youth Corner, a space where children and young adults can explore the art and science of Earth Day. **Look for the handprint stamp to easily find kid-friendly programs. Refer to the map on page 10 to locate booths.**

DISCOVER: ANIMALS, NATURE & SCIENCE

ENDANGERED WOLF CENTER

Nature 11-13

Wolf Turf – Can Your Pack Survive? Play an active game, “Wolf Turf,” where each ‘pack’ will need to hunt to feed all its members.

GREENWAY NETWORK

Nature 20

Sun Painting Create a sun painting using invasive plant species leaves to form a light impression on fabric. Live macroinvertebrates will also be on display!

HONEYBEES — NATIVE POLLINATORS

Nature 32

Observation Hive: See if you can spot the queen and watch as the bees interact with one another. Beekeepers will be on hand to answer questions about bees, beekeeping and local honey.

MISS FAY'S CAFE

Nature 30

Insect Hotel: Observe how found and recycled objects assembled in different styles become homes for wildlife such as solitary bees, predator insects, pollinators and amphibians.

NATIONAL GEOSPATIAL-INTELLIGENCE AGENCY (NGA)

Youth Corner 15

Maps Save the Day! Visit the NGA table to see sample evasion charts/survival maps and gain hands-on knowledge of the skills you need to survive at home or in the wild. Learn how to read a map and recognize local plants and wildlife in order to know which species are hazardous and which help support life. See demonstrations of how maps can be used to gather resources and protect against the elements.

RIVER KIDS

Youth Corner 9-10

Interactive Stream Table Presentations: River Kids will be offering hands-on, interactive stream table presentations about the anatomy of a healthy stream. Participants will help build a model of a healthy stream and observe the impacts humans have upon these systems.

SAINT LOUIS SCIENCE CENTER

Transportation 5

EVie the electric vehicle exhibit: EVie is a fully electric moving truck full of hands-on interactive exhibits dealing with energy basics, energy production including green energy and electric vehicles versus combustion vehicles.

WILDLIFE RESCUE CENTER

Nature 7

Wild Neighbors: Contribute to a collage of the region that maps the places where people and wildlife live, eat and play!

ACT: MAKE A DIFFERENCE

BETTER BUSINESS BUREAU SERVING EASTERN MISSOURI AND SOUTHERN ILLINOIS

Recycle 3

How eco-literate are you? See if you can spot “greenwashing” ads and learn how to tell if an advertisement is accurate or misleading.

ST. LOUIS COLLEGE OF PHARMACY AND MISSOURI P2D2

Recycle 4

Medication disposal: Learn how to safely dispose of medications at home and whether or not prescription packaging can be recycled. Go home with your own medication disposal kit.

GROW: IT STARTS WITH A SEED

GATEWAY GREENING

Youth Corner 19

Seed Starting: Take the first step in growing your own food by planting a seed to take home. Grab a vegetable planting guide for St. Louis and instructions on how to care for your seedling; you are on your way to becoming more involved in the local food system!

LOSTANDFOUNDGEMS

Nature 24

Gardening for Good: Plant a piece of wildflower seed paper in your own mini pot that you will decorate and take home.

USBORNE BOOKS & MORE

Youth 11

Wild for Native Seed Bombs: Learn about locations best suited to grow native wildflowers, then create a “seed bomb” to take home to enjoy the benefits of native plantings.

US FISH AND WILDLIFE SERVICE

Nature 3-4

“Bombs” and Butterflies: Learn about the monarch butterfly and how you can help save their habitat through a fun game. Make a seed bomb to take home and plant in your backyard.

CREATE: UPCYCLE & IMAGINE

CANNONDESIGN

Youth Corner 7

Build by design: Ever wonder how things get built from architects’ designs? Try it yourself using DIY designs to build structures from recycled materials generated from CannonDesign office operations.

DANCING RABBIT

Youth Corner 16-17

Straw Bale Construction: Learn how to mix a simple earthen plaster with natural materials: sand, clay, water. Apply it to straw bales and you can build a structure!

JACK'S BACK BOOKS

Youth Corner 8

Upcycle THIS! Create your own handmade wallet, cell phone case, or tablet case using repurposed materials and a pre-designed pattern.

PERENNIAL

Recycle 7

Upcycled Crafts: You’ll never look at your trash can or recycling bin the same again after seeing how easy it is to transform ‘waste’ materials into something useful.

SEW GOOD AND TRENDY

Arts & Crafts 15

Cloth Blossoms: Transform ‘scrap’ fabric into stylish and unique wearable flowers.

ST. LOUIS LANGUAGE IMMERSION SCHOOL

Youth Corner 1

Sustainability and Storytelling – A Trip Around the World: Create a sock puppet and then join the puppet theater. Meet other puppets who speak in Chinese, French and Spanish as they travel around the world learning about animals and the earth.

SPECIAL PROGRAMMING

AGILITY COURSE FOR DOGS AND OWNERS

Youth Corner 21-22

Test out techniques you can use to get your dog out for regular activity. A basic agility course is a great way to exercise and have fun with your pet.

AMEREN MISSOURI ENERGY BOOTH

At Theatre Drive and Pagoda Circle

Experts will be on hand to educate visitors about the benefits of energy efficiency and cash-back rebate programs. Guests will be able to learn about the company's renewable energy initiatives, including the state's largest investor-owned solar energy center, and enroll in paperless billing options on the spot.

CAR SHOW

Transportation & Fuels Experience Area

Check out the latest fuel-efficient cars on the market, including fully electric cars as well as both personal and commercial vehicles that run on alternative fuels. Drivers will be on hand to answer questions.

FASHION SHOW — 2:15PM

Main Stage

Recyclable Artistic Designs by Tiffany Rae - Experience a fashion show like you've never seen before! True to Earth Day principals of reusing and recycling, models will showcase fantastic clothing and accessories made from unexpected materials, like toothpicks, playing cards, and recycled plastics.

FRESH VS. PROCESSED FOOD

At Theatre Drive and Pagoda Circle

Chipotle strives to raise awareness of the contents of processed foods by creating a hands-on exhibition. This experience visually explains what fresh vs. processed food looks like in an interactive way by simply comparing ingredients side-by-side.

OPENING INTERFAITH CEREMONY — 10AM

Peace Garden by Pagoda Lake

Join Missouri Interfaith Power & Light in a special ceremony to open the day with intention and communion with the Earth. Sister Barbara Jennings, CSJ, and Rabbi Randy Fleisher will lead with prayer and song. All are welcome!

PET ADOPTION AREA

Across from the Muny box office

Come meet adoptable dogs and cats that could become a part of your family! The new Nature's Variety® Instinct® Pet Adoption Area will feature four local rescue organizations – Stray Rescue of St. Louis, Five Acres Animal Shelter, Tenth Life Cat Rescue and Gateway Pet Guardians.

ROCK CLIMBING WALL

Located by the Main Stage

Can you conquer The Spire? Go for a climb on the 24' rock climbing wall! Pros and beginners alike are welcome to take the challenge to reach the top.

SOLAR/KINETIC CELLPHONE RECHARGE STATION

Energy Experience Area

The innovative EnGo Station was designed by two Webster University students. Stop by and see how it works!

YOGA CLASSES

Every hour on the hour in the West Pavilion on the west side of the Muny Covered Walkway.

Head to the Yoga Buzz Zen Den for a complimentary 45-minute yoga session. Classes are appropriate for all levels, including beginners! Kids (3 to 10) are welcome to attend concurrent kid's classes. Classes begin at 11am.

TAKE ACTION

VOLUNTEER INFORMATION

The Festival would not be possible without the 275+ volunteers that spend their weekend helping us with the many tasks necessary to make our event a success. We are grateful for the generosity and hard work of many who help during the event weekend and throughout the year. If you'd like to stay involved, sign up to

receive notifications about volunteer opportunities with St. Louis Earth Day. Help us make Earth Day every day.

*Thanks to those who have donated to fuel our volunteers: **Whole Foods Market**, **Chipotle**, **Pi Pizzeria**, **Companion Bakery**, **Costco Wholesale** and **Kaldi's Coffee**!*
